Welcome

This project is aimed at providing migrant workers in the partner countries of Scotland, Finland, Poland, Italy and Germany with the knowledge and skills associated with entrepreneurship and to provide them with the information they need to go about starting up in business.

As well as providing an opportunity for anyone interested in starting up their own business, it can also be used as a teaching and learning resource in educational establishments. The project's main aim is Innovation and the following units are currently being developed for learners:

- Business Formation
- Marketing and Communication
- Business Awareness
- Employability
- Ethical Enterprise

Spotlight on Glasgow Clyde College

The Glasgow Clyde College Team led by Jim Anderson, Head of External Funding is the lead partner in this project. The rest of the team is made up of:

Rasha Tindal, Employability Officer
Anna Murray, ESOL Lecturer
Molly Bryce, Business and Finance

Jim has a wealth of experience in European Project Management and the rest of the team bring a mixture of skills from their different educational backgrounds.

Meetings with partners have been carried out online and the project is moving forward positively in a spirit of collaboration and teamwork.

The project is funded by Erasmus and will be completed by November 2022.

The College has three campuses in Glasgow located in Anniesland, Langside and Cardonald.

It provides a wide range of courses to a diverse student group with the values of being People Centred, Pioneering, Principled and Passionate at the core of all activities.

Glasgow Clyde College is committed to working closely and maintaining links with a number of European partners through the development and delivery of various projects
